So guess what? My school sees how we've been behaving and how we act all year and now they're surprising us with a musical. Which is Into the Woods. And I'm the witch. Because according to the email I got literally 2 minutes ago I can "speak in an evil voice." Which, according to them means that I can imitate other people well. And who even emails at 4:30 am anyway?Oh, and they made Nacho Jack. Which means that while he's still trying to get back on his feet he's climbing trees everywhere for this thing.

They shouldn't make him be on his feet like that. Let them know that he's still recovering, broken femurs can take a year to fully heal

When it's time for you to venture out, don't let fear have you looking back at what you're leaving behind.
